With a very aggressive symmetrical all-terrain tread design, the Pirelli Scorpion ATR is designed to optimize ride comfort and treadwear while keeping its all-terrain traction characteristics. Through the technology and experience of Pirelli's Research and Development department, the generation of a new compound provides a quiet all-terrain tread design with superior ride quality.

- Aggressive symmetrical tread design delivers all-terrain versatility
- Longitudinal grooves for better aquaplaning resistance with a wide balanced tread design provide better mileage and wear uniformity
- Shoulder with radial grooves increases traction and braking efficiency. Sipes to enhance noise reduction and wear uniformity
- 50,000 mile limited treadwear warranty (Mileage warranty not valid for Original Equipment, Eurometric, LT sizes and commercial use)
